

#### **ABSTRACT OF THE DISCLOSURE**

A traffic ticket book holder with a generally rectangular shape, secured to an outer garment and to a user with an upper arm and a shoulder, having a main body with an upper edge, having an inner compartment opening used for carrying ticket books, tickets or medical supplies. There is also a front cover with a top and a bottom portion that releasably seals the inner compartment opening and an outer pocket on the bottom portion of the front cover to hold miscellaneous items. There is also a protective flap attached to the upper edge of the main body that overlaps the top of the front cover, a shoulder strap to attach the traffic ticket book holder to the outer garment of the user, a flexible arm strap to secure the traffic ticket book holder to the upper arm of the user and an arm adjustment piece.
